Limited Liability Company – Domestic

(All Fields Must Be Completely Filled Out.
All addresses must be physical addresses. Do not use "same as.")

Name of Limited Liability Company

Provide the exact name of the Limited Liability Company and its ALEI (Business ID), as it appears on the records of the Secretary of the State at business.ct.gov.

To verify: Go to business.ct.gov > All Business Services > Business Records Search

Both the Business name and Business ID must exactly match the record or the filing will be rejected. If the name is no longer available, please complete and file a Certificate of Amendment, along with the Certificate of Reinstatement, changing the name of the Limited Liability Company to an available name (please see Certificate of Amendment form for additional fee). **Note:** The ALEI is not a state or federal tax ID number.

NAICS Code

A six-digit NAICS Code must be set forth — it is now required by law.

The North American Industry Classification System (NAICS) was developed by the U.S. Government to classify each type of business/occupation/profession using a six-digit number. The data collected is then used to analyze the economy. The Secretary of the State uses the same NAICS code to collect data on Connecticut businesses as well. To obtain a NAICS code NAICS at **1-888-756-2427** or visit www.census.gov/naics.

Business Email Address

Provide an email address. The email address is used by the Secretary of the State to send important notices.

Business Location - Principal Office Address and Mailing Address (Both Required)

Provide the Principal Office address in the block designated for "Principal Office Address" and a mailing address in the block designated "Business Mailing Address."

Principal Office Address

Address must include street, town or city, state, and postal code. **Note: P.O. Box is NOT acceptable and will be rejected.**
